When we open, we will be guided by the easing of restrictions as Public Health Orders are updated. Certainly, the welfare of Members and staff remains our priority.

The club opening will be under the following guidelines:

- As per Public Health Order, access to the Club will be restricted to fully vaccinated Members and their fully vaccinated guests or who are medically exempt and carry a medical contraindication certificate. Staff will also be fully vaccinated;
- Masks will be mandatory (for both Members and Staff) in all indoor areas unless eating or drinking;
- The four-square metre rule will apply in each outlet and function room - 1.5 metre distancing at all times;
- Accommodation rooms will be open for reservations at reception@raca.com.au;
- Lunch service will be offered at the Harbour Dining Room and Members Bar. To allow us to manage capacity limits, bookings are required for lunch service via harbour@raca.com.au 02 8273 2300 or reservations can be secured via the [RACA App](#). Dinner service will resume from 1 November;
- The Fitness Centre will be open, to regular hours from 18 October, and the four-square metre rule will apply - 1.5 metre distancing at all times;
- All COVID Protocols can be seen on the [Club website](#) and will be displayed throughout the Club.

It is important to note that you will be required to show vaccination status or exemption certificate upon entry. This can be done by showing your vaccination certificate electronically on your phone or device, or with a hard copy. To ease any delays, we suggest that you have your vaccine certificate already downloaded and ready to show at the entry points of the club. Please refer to the below regarding the requirements when entering the Club and also the FAQs on how you may obtain proof of your vaccination.

As we move to the 80% vaccination milestone and beyond, restrictions will ease more and more. We will continue to update Members as this evolves.

We thank you for your patience and continued support of the Club. I look forward to seeing you in the Club as it re-opens and will be happy to answer questions and discuss any matters of concern.

Yours sincerely,

Markus Friedler
CEO/Secretary
