## OUR WINE LIST

We are delighted to present the RACA wine collection. Our list is extensive and thoughtfully curated, highlighting renowned Australian winemakers alongside top international producers. You'll find a variety of options to suit every palate, from approachable, everyday wines to premium and reserve wines available in limited quantities.

From buttery Chardonnay to iconic aged Barossa Shiraz, our club has amassed an impressive collection of wines over the years. We are now thrilled to offer these to our members for their enjoyment. Our extensive range of wines by the glass is made possible through the use of the Coravin system, which preserves the integrity of the wine for an extended period. Should you wish to enjoy a reserve wine by the glass, you can do so by purchasing the bottle. We will serve it using the Coravin system and store it in a climate-controlled environment for up to three months.
